State of Colorado

### **WRIT OF CERTIORARI**

**First Last** comes as a citizen of the United States of America wanting  
The Constitution for the United States of America to be honored.

**James Wilson** defended the “We the People” language at the  
Pennsylvania Ratification Convention, arguing that “all authority is  
derived from the people” and that the [Preamble](#) merely announces the  
inoffensive principle that “people have a right to do what they please  
with regard to the government.”

A traffic ticket was issued for expired license plates that **First** has  
decided to not renew or participate. The State of Colorado has found  
**First** guilty by legislative law. Continually harassing and threatening  
**First** to take property, maybe her life and diffidently her liberty.

Evidence enclosed.
